PROFESSIONALS OF AUSTRALIA

Organising Professionals of Australia is a Queensland distributor of Honeywell Waterproof and Firesafe Boxes, high quality products that provide safety and security for your essential documents and valuable possessions.

We recommend the following fileboxes and firesafes to keep important documents like Marriage and Birth Certificates, Passports and digital information safe from damage that can be caused by water and fire. All Honeywell safes are equipped with a 5 year warranty (from manufacturing defects).

FILEBOX 3050

Designed to safely protect documents while keeping them organised. Holds standard letter sized hanging files, includes handle for easy carrying and key lock for added security. 2.4 kg in weight. Dimensions (318mmW x 150mmD x 267mmH). Durable powder coated finish. (File folders not included).

Cost: \$49.95 inc. GST

WATERPROOF FIRESAFE 2037

Protects paper records at 843°C during a fire for 30 minutes and the waterproof seal keeps everything dry. Protects valuable personal information while allowing easy access.

Cost: \$205.00 inc. GST

OUR PRODUCTS
